2025 IMPORTANT FINANCIAL POLICY UPDATES

Copays

Copayments are due at time of check-in when applicable. A $25.00 processing fee will be applied if the co-pay is not paid on the day of the service.

Credit Card on File **2025 CHANGES**

Edmond Pediatrics requires a credit card on file for all patients with commercial insurance. Please see Credit Card policy for more information. **Sign up today by following this link**: Credit Card on File Policy. Due to the high number of our patients on High Deductible Health Plans, the Credit Card on File will facilitate the billing process. If a balance is unpaid 120 days from service, we reserve the right to submit the account to Collections and charge applicable fees. Families are dismissed once sent to Collections.

Re-Billing Fee **2025 CHANGES**

For our patients who are non compliant with our Credit Card on File Policy, effective mid-March 2024 **when a balance is greater than 60 days from insurance processing, your account will be charged a $30.00 Re-Bill Fee for every monthly billing cycle that carries a balance greater than 60 days old.**

Deposit Guidelines **2025 CHANGES**

Edmond Pediatrics has seen a significant increase in patients seeking healthcare services without fulfilling their financial obligation. By implementing options such as Credit Card on File OR Patient Service Deposit options, we can continue to provide the best care to your family. IF you refuse CCOF, you will be required to leave a deposit on account for authorized lab services.

SELF PAY

If you do not have insurance, you are considered to be self-pay. The guardian present will be responsible for paying all charges billed for the appointment. We will apply a 20% courtesy discount if you are able to pay in full. Guarantor could receive an additional bill after the service if the provider runs any lab tests on the patient. The lab tests will also receive a 20% discount. Payment is due in full at time of visit. If charges for any lab work is not taken at time of service, you will receive an itemized invoice.
